Page Masters & Thread Maidens

Working from artist Sophie Hollington's original logo and character I created a series of spot illustrations for use across the Riso studio Pagemasters (and its embroidery offshoot Thread Maidens) branding. I also produced an alphabet of hand lettering for use in titles and promotional material.

- Illustrations - Pencil & Ink
- Type - Ink lettering

The Hundred Club >TACO

Since 2022 I have been working with the Hundred Club as their "designer". In its own words - "The Hundred Club is an experimental creative space that uses arts and play for children to explore social justice issues. Free and open to 5-12 year olds and their siblings, parents and carers" I co produce a quarterly newspaper with the children as well as running workshops and producing promotional content for the group/other outcomes. We recently made a billboard in collaboration with Build Hollywood!

- All written and drawn work by the children of The Hundred Club
- Design by myself (Tommy) and the children of The Hundred Club
